

14th March 2020

To Whom it May concern

To address the current disease situation in Europe and the interest of the shortest duration of the pandemic extent, we make the following non-binding offer valid until 25 March 2020 for the Czech Republic:

Due to global demands for our technology supply is on a first come first served basis however orders from a government for the purpose of containment to the virus will be our priority.

In case of interest submitted by the Czech government or any other state authority of the Czech Republic Zoono will require an idea of quantities and provide the most efficient supply plan.

We hereby confirm and authorize Samuel and Jakub Suchánek of Spása s.r.o., as our sole representative for the Czech Republic and the Slovak Republic, who will provide you with this offer and may communicate with you further details of this deal.

The deal will be concluded directly between Zoono New Zealand and the state authorities of the Czech Republic.

In case of interest from other European governments, we reserve the right to deliver the requested quantity first to the side with whom the agreement will be concluded first. And then, according to production capacity, to process orders from other countries.

In this time of crisis we are very proud of the technology we developed that protects surfaces for sustained periods of time and is 98% water based therefore friendly to people and the environment.

If you have any further questions please feel free to contact the writer.

Yours Sincerely

Kevin Storey
